

The Queens' Collection

description: 001

The Queens' Collection is made possible by the kind and generous donation of the original artwork of two very special women; my dear friend, Ethel Mae Wiggins, who passed away much too soon, and my sister/cousin Pandora Lynn Smith. Both of these women have been a constant source of joy and encouragement for me and are a vital part of the creation of Kuumba Greetings.

Spread your wings and prepare to fly

While I was yet an angel in heaven, I looked to Earth and saw you, a righteous man of great integrity and faith.

I turned to God and said, "Please make him my Dad".

I have never regretted my decision and hope you are as proud of me as I am of you.

To Our Brother

As families do
over the years,
we've shared lots of joy
and just a few tears.

But beside this man
there is no other,
like E.T. White
our Dear Brother.

He always put
his family first.
Seeing the best in everyone,
never the worse.

As you celebrate your life
on this special day,
know that we love
you so much in every way.
